Logiq Tower is a unique and highly addictive building block brainteaser (recommended 8+). Users fit 15 distinct pieces around a center post, with the goal of completing perfect cylinders. Attempt to build a 2, 3, 4 or 5-level cylinder, each more difficult than the other. Accompanied by instructions and several solution hints. Made with eco-friendly hardwood maple (mature rubber wood). Designed by Marko Pavlovic, IDEA & Red Dot awards winner.
